PTA Fundraiser: We are selling coupon books to raise money to buy books for our school -"books for books." Every student will get a bag that will go home on Monday. The bag will have all of the information as well as 2 coupon books. Students can sell these two coupon books and then additional order forms are in the packet for any additional books that are sold. Coupon books cost \$25. The fundraiser ends on Monday, November 28th. If students do not sell their books, they have to return them by this date.
